“ *So sorry for your families loss! To Sue, and everyone. I know how devastating cancer can be to a family. It was good to see Jerry at church at St. Paul's, and how active he was. I saw him at mom's funeral, & was so glad to see him there!! He was such a strength to you and all of his family. I know he will be missed very much by all of you. But just remember the good times you all had together. May God Bless you, and comfort you in this most stressful time!! God be with you all!!*

“ *Our deepest sympathies to all the Striegel family. Brandi, your words about your dad were powerful and I know he would be proud of how your described your lives with him, so well. He and your mom always liked to reminisce about your year with me in first grade, and he would say that I couldn't run fast enough, anymore, to keep up with his grandchildren! We will be praying that your strength, as a family, will sustain you through this difficult time.*

“ Know that our heart goes out to all of you.being without a parent is something none of us want to do.but we all seem to have to experience it some sooner than they should.You all knowing what a great dad and husband makes the lost so much harder to bare. He he loved you all and showed u that in so many ways. That you will get to hang on to forever. Some people never get to experience that and there parents are still here. You got blessed with a special one.know he can rest now and still watch over u all.

“ I had the pleasure of working with Jerry at Toyota. He is a great co-worker and a great person. The last time that I spoke to Jerry, he was at Los Dos Charros in Huntingburg. It was evident that he was not feeling well. He sipped a coke while everyone else ate. However, that did not matter as long as he was spending time with his family. I really admired him for that. My sympathy to the Striegel family.
