“ I am sorry to read about Jessica's death. I am an old Ireland High School person. Jessica sat next to me in the band. She was the best flute player, and I wanted to be as good as she was. We were sorry when she graduated. Good memories

“ We are so sorry to learn of Jessica's passing. Our daughter lived across the street from her for many years, but moved a couple years ago. That move and some health issues of mine caused us to lose touch with her. We have many happy memories of our visits with her.
