“ *Deepest sympathy to the whole family. It was God that allowed me to see her one more time in the hospital. I'm forever grateful. I pray you all know the love I have for your family. Even though your dad Leroy, was my Godfather and Linda my Godmother, I always felt love, kindness and support from your mom. Your mom was as much my Godmother as Linda. I always talked with your mom because when I was young I was scared of your dad. Until, of course, when I matured. Your mom was absolutely beautiful. Inside and out. She had that little smirk but then she would laugh. I will treasure my many memories of your mom. Thank you for sharing her with me. My life has been truly blessed to have her with me on my journey for 60 years. May God's peace be yours through this difficult time.*
