With deepest sympathy to Joan's family for your loss. She was my teacher at VUJC. Her favorite saying was "simple as that". My last final exam was on Dec 12, the due date of my first baby, she told me "You cannot have the baby on Dec 12, simple as that"!! My baby waited until Christmas Day to be born, almost 38 years ago. God Bless you all.

I grew up with Joan, Albert, Margie, Marilyn and Susie. Our backyards seemed to form one huge yard and we had great times together! Although the years and distance have separated us, I have fond memories of all of you, especially Joan, who was closest to my age. I am sure she was a wonderful daughter, sister, wife and mother. Your entire family is in my thoughts and prayers. I am sorry I was unable to be at the funeral.
