“ *JoAnn was my friend, she was always happy, and wore a smile a lot...She was very proud of her family, talked about them often....I'm a private caregiver of 30 years and I met JoAnn at Brookside, followed her wherever she went so we could stay in touch..We always had a good time...Took her to the movies once with me, wanted to take her out to eat but she said, NO they will have my supper ready when I get back home..Bless her heart !!! Love you JoAnn.....Prayers for the family !!*
