“ *To Jobe's family, I was a roommate of his at USI for a short time, maybe a semester or two, in the Willard apartment building. While I didn't know him well, he was always kind to me and our other roommates (Aaron and Rick, who I've known for a long time as we grew up in Princeton). I last ran into Jobe a few years ago in Terre Haute at the Ballyhoo, and we spoke for a few minutes. He seemed to be quite happy while out with a group of friends. On behalf of me, Aaron, and Rick, we send our deepest condolences to his family and wish him the best on the rest of his journey. Sincerely, Eric Luecking*
