“ *To the family of John Hollinden: Your family has our deepest sympathy. We did not know John personally but knew his father, Fred, from our high school days at Huntingburg High School. If John was an example of the family he was surely a excellent person. Remember the memories forever.....Jerry & Nancy Smith.....Holland, In.*

“ Dink is one of the most compassionate, understanding, fun and positive thinking friends I have ever had. I say "is" because that will never change. I will miss texting him with a fiery comment to get a good, hard belly laugh from him, then wait for him to one up me. It was a real competition. (Sometimes the "oh god blonde" won too!) We could talk for hours and still not be caught up because he was so easy to talk to and so easy to love. I will miss him forever. Dink, save some seats up there for Jerry and me. We will have a lot of catching up to do, and with the three of us talking at once, we might aggravate the Big Guy. (I just can't call you John.) xo
