“ *I loved seeing John up the stairs at the table with my dad when I came home from school as a kid. It was a special treat when my dad had his friend Jon over to our house. He exuded such happiness and love when he was there. These last two years I have really enjoyed seeing you both and the days we all spent together at the island bumping around in the little golf cart. My parents have loved having Your and Jon's friendship. I know my dad will sorely miss Jon and never have another friend like him. Sending you and your family lots and lots of love Ruth! <3

“ *I just remember John And Ruth coming to Bobby's soccer and football games. John always had a big smile on his face and it was so obvious how proud he was and how much love he had for his daughters and his grandchildren. May the peace and comfort and love and healing of our Lord and Savior, Jesus Christ, pour down on John's family today and in the days to come.*
