“ *I had the good fortune of meeting Mr. Nicholson while on a tour of Jasper recently. What a great man. Even late in life he had an incredible personality and loved to engage in spirited debate. My deepest sympathies and condolences to his family.*

“ *Nick, Ann, Jane and John -- My friend Barry sent an email and let me know your dad died - I am so sorry to hear it. And I saw that your mom also passed away - I didn't know. It saddens me to hear that they've passed away. They were joyous people with open hearts. I will always remember them, and they will be much missed by everyone who knew them. I'm sure this is devastating - my heart goes out to you, and all of you will be in my thoughts. I can see your families have grown so much - that's a wonderful legacy. Sherry*
