“ *Condolences to Doug and the entire family. John and I worked in the same department on two different occasions and he was my supervisor for several years. I remember him as a kind, generous man who loved and was proud of his family.*

“ *Our sympathy to the Summers family. I have fond memories on John during our many years of work at Crane. And Ruth and I still laugh about his rendition of "Its me again Margaret" and "Buzzards in the Greenwell Hardware Store" during the famous Loogootee Laugh-Ins. Rest in peace John, heaven has gained a very good soul.*
