“ *Dear Becher family- sincere condolences from an old Jasper neighbor. We lived right around the corner from you, on MacArthur St. As a child, I was always welcomed at the Becher house, particularly because of my love for that beautiful red Irish Setter that lived there. The Becher family stands in my mind as one of the warmest, friendliest and most caring families I remember from my days in Jasper. I am so sorry for your loss...*

“ Laurie and Family,
All of us have been dying, hour by hour, since the moment we were born. Realizing this, let all things be placed in their proper perspective. . . . Remember, it is always later than you think. You are not the momentary whim of a careless creator experimenting in the laboratory of life. . . You were made with a purpose.

“ My sincere heartfelt sympathy to Laurie & family. Even though I haven't lived in Jasper since graduating high school, I've always felt I've known John. My mother & John's mother were in Memorial Hospital at the same time, and we were both born the same day...12/24/56. My grandmother, Josephine Roelle, used to volunteer at the funeral home, greeting people as they arrived, and she took care of Tommy & Marilyn's home while the family was away on vacation. When my grandmother passed away in October 1979, Tommy realized how close I was to her and my need to bring closure. He allowed me to drive the hearse to the cemetery, so that I could spend just a little while longer with her. The Becher family was one of both class & grace, and their compassion for grieving families was always genuine. Jasper is a true community & the Becher family the best possible ambassadors for that community. I share in your grief. Godspeed, John, you're needed in a better place.

“ Dear Laurie & family,
May God give you all the strength and love you need to cope with on the unexpected loss of your dear loved one, Johnny. He was such a special man, and he was so well liked by so many over his 54 years of life. I hadn't seen Johnny since high school, but in 1998 he greeted me with his kind, sincere, and gracious smile at the door of the funeral home. I asked him what he'd been up to over the last 20 plus years of high school. His face just lit up, and he said he was married to Laurie and had 5 daughters. I said, "Wow, Johnny, aren't you blessed!" And he answered me, and meant it so sincerely that he felt so blessed to have them in his life, and that he loved taking care of all of you... "his darling girls". You sure have my deepest sympathy, Laurie. Your husband and the father of your children loved you all very much. My kindest regards to you and your whole family.
