“ We ate lunch with Joe at many Church Picnics in our surrounding communities... we'd start to look for one another as soon as we'd arrive. Joe was truly a good person and we will miss his company and discussing (usually) politics.

*Brad and I loved visiting with Joe, we spent many evenings sitting with him watching Todd play ball in high school ( our favorite place to sit), we would often run into him in French Lick and his most thoughtful gesture...visiting Brad after his knee replacement. Joe would stop at least once a week to visit, these visits helped in the healing process. We will greatly miss Joe. Our deepest sympathy to the family*
