Just want to let you know, we can't be there for you, but you are in our prayers and I thank God that He brought the Colman family into our lives. It was such a pleasure knowing both of your parents. They did a great job bringing up their kids. Just remember the scripture: To be absent from the body is to be in the presents of the Lord. I hope you guys believe that with all your heart. May the grace and love of God grant you peace in this time of sorrow.

Love ya!
