“ *I've known Joyce since I was in the 6th grade I'm best friends with her niece Donna Mehringer and my dad worked with her at Jofco and he said she was a hoot. Always a laugh a minute. She will be missed. Joyce now you and dad can have some more laughs together. I'm sure you two will have a lot to talk about. Bless your family.*

“ *Joyce Rasche has been in my family as long as I can remember going to the factory to visit my parents while they were at work. She worked with my mother for many many years. She was the funniest person to be around. She was so caring and loving to everyone. She will be missed by all. RIP Joyce*
