“ *Judy Linette was a great woman. She was a mother figure to us all as kids. She would sing Whitney Houston's The Greatest Love of All to us in her kitchen as she made dinner for us and teach us how to be kind and love one another. I think of her when I hear that song. Bill and the Linette family, know that the memories of her and you have been with me and will always be, everywhere I go. My condolences and may God bless you always.*

“ To The Linette Family:

Will truly miss talking with my precious CRHP SISTER in town while she was shopping. We were drawn together on many occasions, and she was always such a happy person to be around, despite her cancer battle. May Judy find much peace in her Heavenly Home.
