“ Her smile was always there as she worked with us in Cardiac Lab. I
am fairly certain that she and Phil Dawkins will enjoy some stories in
heaven. Sending her loved ones hugs. She was a special soul. 🌸
And her treats she made for us were fabulous!

When Morris (my classmate at Huntingburg High School) started dating
Judy he introduced her to me. I loved her right away. How wonderful
that she and Morris found each other. I know we will all miss her but
now she is well and free in Heaven! RIP my dear friend 🦋

“ *I am blessed to have you as my mother. I am certain there will never be a day that i dont think about you - i will miss most just hearing your voice, knowing i could stop in anytime to talk. I miss it already, and you just left yesterday. I dont know how the afterlife works , but i sure hope you can see us celebrating your life and hear all the wonderful stories of what you meant to everyone that knew you. Im forever forever grateful Mom... I love You. (tears)*

Morris, I was very sorry to hear of the passing of your wife. I really did not know Judy, since I had moved out West years before you two were married. But I am sure she was a very nice person, wife, mother, and grandmother. I wish we did not have death in our day, but we currently do. I do know much better times are near. Please remain safe from the COVID-19 virus.
