“ Ryan, and the Tempel & Schnell families, Mike & I were so shocked and saddened about the accident. We remembered how you & Julie were both in Erin & Jesse's wedding. I remember when we were outside leaving their rehearsal dinner, you & Julie were holding hands, talking and having a sweet intimate moment away from the crowd, probably wishing this was your wedding. Why I remember this, I don't know; maybe so I could share this moment with you today. I also remember the tour you gave Mike & me of your new home. You were such a lovely couple. Our prayers have been with you and Addison for her complete recovery. Sincerely, Mike & Janine Stanley

“ *Mrs. Schnell was a wonderful woman, teacher, Mother, and wife. Out of all of my teachers in JHS she was one of the few who showed sincere concern towards me, she would always ask how my day was and if everything was doing okay. I stayed and had many talks with her after class. I will never forget the positive impact she had on her students and myself. And I will never under no circumstance forget about the way she made feel. Que Descanse en paz esta bella flor.*
