“ I do not know you personally, but I want to offer my greatest sympathy and condolences. The death of a loved one is hard - and when it is a child it just breaks the heart. I lost my niece when she was 21/2 by drowning as well. There are NO words that will ease the pain so soon after your sons death. But, rest assured - there WILL come a day when the pain eases. There will be many nights of tears, days of daydreaming and through it all, though painful as it is - we accept. We still will grieve - but we accept. God had a plan for your precious son - and you WILL meet again. God has another Angel.
