“ Karl was quite a challenge when I first started working with him..He did not make it easy. But then as time went on we both changed...Karl captured my heart and brought me great joy..I will miss him in the early hours bringing me the remotes and stealing my pop. It was my honor to be one of his caregivers. It was a pleasure to serve you. I will sincerely miss you. Love you..Stephanie

Karl was a great person with a huge heart for his staff. He loved the sun, Karl would sit forever out in the sun no matter how hot it was outside. Karl will forever leave a ever lasting Memory in all who cared for him. He will never be forgotten, we as staff will keep him in our memories the good, funny and sad ones. But Karl is gone high up on that mountain listening for the first time all that Music. Rest my friend as I will see you again.
