*I Miss You
I just wiped a tear drop from
The corner of my eye followed
By another as I began to cry....*

*I just found a memory in the corner of my mind...
Of happy times gone past
When you were by my side.*

“ She used to always wear this brown jacket at work, it didn't matter if it was 30 degrees or 60 degrees if you seen Karla the brown jacket was on her. We were sitting on the bench one day and I was pulling on her jacket, she said, "can I ask what your doing?" I said " I'm just making sure it's not glued to you. " she said, " it's my armor. We had some good laughs. She will never be forgotten.
