“ *So sorry for your loss. Jane was the sweetest lady. Worked with her for a while at GAB. She was always cheerful. And always funny. Ran into her years later at St. Vincent's. Still the same sweet happy person. She knew me immediately. Will miss running into her. Condolences to the family.*

“ *A wonderful friend and classmate through our elementary and high school years together in St. Anthony and Jasper. She always welcomed me as friend and not just related to her sister, Karen. The obituary picture is an exact depiction of her personality. I will miss her.*
