“ Aunt Kate was like a big sister to me while I was growing up. She was my glamorous aunt who let me wear her jewelry, did fancy things, like taking me to brunch, and introduced me to rock ‘n roll music, as we danced to her 45s in her living room! Throughout my life Aunt Kate continued to be that same loving and fun person who always saw the best in me. I love you Aunt Kate and am grateful for all of the love you gave me. It’s time for you to get those 45s out and show everyone in Heaven how to do the Twist!
