“ Kathy was a wonderful person. She was the one that always cut mine and my parents hair when i was little when she was at Borics. The just recently she started cutting mine and my mothers again. We were sad to hear of her passing and will miss her very much. Rest in Heaven Kathy.

“ I worked with Kathy at Hardees many years ago. She was always so nice. Just last year Kathy became my beautician. She always talked about her family while she cut my hair. We often shared stories about our dads. Life is so precious. May you find comfort in the love and memories you have of Kathy.

“ Kathy hired me right out of cosmetology school to work at BoRics. I had just moved to Evansville. She taught me a lot and she became a wonderful friend. I only lived there a year but the memories have lasted with me forever. She made work fun with her cute contests and get togethers. I'm still in shock with the news of this. She had just messaged me a few days ago saying she wanted to come visit. Life is so precious. Until we meet again.. ❤️
