“ *My Aunt Kay was amazing. She fought hard and kept fighting. She loved her family and was incredibly supportive of me. I cherish every visit, every phone conversation, and every letter from her. Till I see you again. I love you always*

“ *My Aunt Kay was a big part of my life growing up and one of the most unique individuals I have ever known. She was one of the few people I knew that still corresponded primarily by mail, always sending a letter on my birthday (which was 3 days after hers) with a lotto card or two, and requests for pictures of my kids. I will treasure those letters and I hope that she is in a place of peace and love, hanging out with my Nanny in heaven. Love you Aunt Kay "Frog".*
