Kenneth "Kenny" D. Clark, Jr. age 79 of Holland Indiana, passed away on Friday, March 2, 2018 at Memorial Hospital and Healthcare Center in Jasper, Indiana.

Kenny was born in Elwell, Michigan on September 6, 1938 to Kenneth Clark Sr. and Gwendolyn (Daymon) Clark. He married Eleanor Ryan on June 25, 1960 in Alma Michigan.

He worked for Kroger and Giant Supermarkets in Michigan before moving to Florida to manage the Haines City Mobile Home Park. He grew the park from three mobile homes to over 150 units. He was well-liked and respected by all the residents. He was active in Kiwanis and Jaycees in Florida. After five years, he returned to Michigan where he went back into retail, working at W.T. Grant until they closed their stores. He took that opportunity to go back to sunny Florida. He continued his retail career at Winn-Dixie and at Wal-Mart. He was also a pest control technician, and enjoyed the many friendships he cultivated while doing that. It was during that time that he found he enjoyed remodeling homes. He was quite a skilled craftsman. When Eleanor retired they returned to Michigan where he continued his love of retail at Siler's Market. While back in Michigan he became active in Rotary. When Kenny

retired, they moved to Indiana, settling in Holland. He loved meeting new people wherever he went. Many of those friendships have lasted throughout the years.

Kenny enjoyed working in the yard, playing cards and board games, making Joker boards, and spending time with friends and family in the many places they lived.

Surviving are his wife, Eleanor of Holland, one daughter, Kelly Brower (Pete), Jacksonville, Fl, two sons, Steven Clark (Nancy), English, IN and Daniel Clark (Lynn), St. Charles, MI, five grandchildren, and one great-grandchild.
