“ I am so sorry to hear of Kenny's passing. I was a fraternity brother of Kenny's and I worked with him in the mid-seventies at the Public Service Commission. I was also his brother John's roommate for several years. Although I hadn't seen or talked to Kenny since John's passing, I'll always remember his wonderful sense of humor and his athletic abilities.

“ Thank for always treating me with Kindness and taking an interest in me, Kenny. I imagined many more ping pong matches in our future, He had other plans. I’m sure He has stocked the fridge full of Ice Cold cans of soda that expired in August 1997. God Bless you Kenny, and to any of the family who may read this, I love you all.
