“ *Thanks to everyone that showed today at the funeral home. Many thanks also to those from Holiday World who shared some memories of their interaction with Kevin. Here's some pics before he ever got sick.*

“ I am deeply saddened to hear of Kevin's passing. Kevbo and I go back a few years on the grounds crew at Holiday World and I instantly took a liking to him. One time we went "joy riding" through the park in the "old red" pickup truck hauling tree limbs when, truth be told, we were actually lost and not sure where we were going. We shared a few laughs over that one! He would always razz me about being on my cell phone too much during break and I always tried to convince him that he needs to get himself one since he was always making road trips to doctors' appts. Kevbo you will be greatly missed.

“ I (Trina Boeglin) am the grounds manager at Holiday World and worked with "Kevbo". We had a lot of fun times with Kevin. He came off as really stern but the young kids loved him. They could always get a sideways comment and a smile out of him. We have all be very worried how his surgery went and we are very sad to hear of his passing. Please know he will be missed by his Howo family .

Many thanks for the comments. I am his niece who adored her Uncle Kevin. He enjoyed working at Holiday World. He never mentioned names but there is a group of ladies that he got a kick out of and he secretly loved working with the younger ones. Yes, he would act gruff about it but then he would smile. Blessings.
