“ I did not get to share nearly as many memories with Kiersten as I would have liked. I have always lived far away from the Jasper crew, but the times that I have gotten to spend with them are some of my most cherished. I am truly heartbroken that we have lost such a sweet young woman. I pray that Kiersten rests peacefully in the loving embrace of our Lord, and I pray that God blesses, comforts, and protects her family, especially Staci, Jarrod, and Tyler. I send my love and my prayers your way today and every day.

Rest in peace, Kiersten. We miss you, and we always will.

“ It was a privilege to be next door neighbors to such a fun and wonderful family, Sharing so many fun memories with Keirsten and the Land family. Pool parties, cookouts, swimming and the biggest fireworks display in Dubois county. Recording some of the events, like Travis's phone prank, Harley Davidson Landscaping, Box Blow up, she was always part of the fun. She was her mothers cohort in crime, playing pranks on me and laughing till our bellies hurt, or till I got hurt, but never spilled my beer. She always took care of our animals when we would be gone. She is truly a beautiful person, and will shine in heaven. I remember the last time I visited Jasper, Staci asked if I could stop at the store where she worked as soon as I got into town to surprise her because she would be surprised and excited to see me. I will light a candle but think of it as a firework, because that was her favorite holiday. We will miss you Sis. Your friend Tracy.

If you ever need to just talk to me, I know what you are going through. My son died 23 years ago and I'm familiar with your hurting, that big hole that opened up in the middle of your chest which makes it almost impossible to breathe or to eat. You have our utmost respect and concern at this time. Vickie also sends her sympathies.

“ I remember the day we brought you from the hospital. Mommie had to stay for awhile longer. You stayed with us for awhile. We were so blessed. We had so much fun talking and laughing while we watched *The Golden Girls*. You laughed at me so hard because I was going to drop you off at the wrong school. You were growing up too fast. We will miss you dearly, but you will always be in our hearts.
