“*Kristi,
I will NEVER forget you! I only wish that I would have known which nursing home you were in, so I could have come to visit! You and I spent a lot of time together every week, when you were a SIRS client, and we would go out on our outings. I remember when you would disagree with me you would always say, bull s---. Those are memories I will NEVER forget. We will meet again someday, then we can continue where we left off. Now you can be with your dad, and especially your mom who took such great care of you. I love you dear friend!! Debbie Beier*

“ I can remember when Kristi came to 5th Street School. She and I use to hangout on the playground back in the day. Years later, I would see her at Walmart with her mom and dad. I would stop and talk with her and ask if she remember me. She would just give me a big smile! I know she was challenged here on earth, but I can only believe that she is now at peace and being rewarded in so many ways. Thoughts and prayers to you Kenny, and may you find peace that she is now free of all challenges and is reunited with your mom and dad that took such good care of her all those years. Rest in peace my dear grade school friend.
