“ *Kyle, you came back into my life out of nowhere and it was the best thing ever. I wish you could have seen what I saw in you, because you were truly amazing and had a heart bigger than Texas. I will forever cherish every single second that we had together. But I would give anything just to get one more phone call or text from you. I will pray for you boys, and your grandma and sister and mother and nephews. I know how much you loved them. Fly high Kyle. We will meet again one day. I promise I will talk all the smack talk this football season. GO PACK GO. I MISS YOU SO MUCH*
