

Larron James Luegers

April 27, 1947 - January 28, 2021

Larron James Luegers passed away peacefully at 3:10 p.m. at his home on Thursday, January 28, surrounded by his loving family.

Larron was born on April 27, 1947 to Robert W. and Lucille M. (Teder) Luegers. He married Beverly Eckert on August 24, 1968. He is survived by his beloved wife, Bev, of 52 years and their children and grandchildren. Surviving are Michelle Luegers of Jasper, Janelle (Philip) Stratman of Evansville, and two granddaughters Olivia and Meredith Stratman. He is preceded in death by his youngest daughter, Adrienne Luegers, who died in 2015 and also his parents.

He graduated from Jasper High School in 1965 and attended Vincennes University and Indiana State University. Larron was co-owner and Vice President of Bob Luegers Motors. He retired in 2012 after 43 years of selling cars to his loyal customers.

Larron could light up a room. People always gravitated towards him. He always had a joke, a compliment, or a quick one-liner. Larron loved to tell a good story, and he could easily make anyone laugh. Friends, family, and customers always had a kind word about Larron. Michelle, Janelle, and Adrienne were always proud when customers would tell them what a great guy their dad was. He had a beautiful smile and a booming laugh. Larron enjoyed boating with his family at Beaver Lake and Lake Barkley. He loved sports, especially golf, football, and basketball. He was always ready to root on the Hoosiers. Larron loved watching his granddaughters play sports and

playing cards and games with them. Olivia and Meredith's teammates always knew when their grandpa was in the stands.

Larron was a lifelong member of St. Joseph Catholic Church in Jasper. He served as a lector and served several terms on the Finance Commission. He was a charter member of the Optimist Club, 50 year member of K of C, BANO, Dubois County Museum, Rojac, and a Board Member for Bank of Ireland.

Larron had many sayings, but one of the most repeated was he was able to endure all of his health issues because he was an old football player. There will be a hole in our hearts, and he will be greatly missed. We take comfort in knowing he is reunited with his beloved Adrienne. We know they are dancing and listening to Elvis. Due to COVID-19, private funeral services will be held at St. Joseph Church with entombment in Fairview Mausoleum. Donations may be made in Larron's name to Heart to Heart Hospice, the Dubois County Humane Society, or the Dubois County Community Foundation with the Larron and Beverly Luegers Endowment Fund. We would like to thank Heart to Heart Hospice for the wonderful care they provided Larron and the support to his family.

Larron's funeral Mass may be viewed on Youtube, Saint Joe Jasper.

Online condolences may be made at www.becherkluesner.com.

“ My heart felt condolences to all family members and friends of Larron. I first met Larron at the dealership when I became a customer as he sold us a new car back in 2001. He returned the favor a number of times by patronizing our business himself and sending other people our way which was always appreciated. He always had a smile on his face and good things to say about people. He had a lot of stories and loved to talk about golf. May you rest in piece my friend. I hope to see you again.

“ Larron was one of the finest men I ever met. He was a gentleman of
great strength, grace and courage. We shared a rare and unusual
bond with Larron and Bev that is precious and priceless. We
became close friends through the mutual loss of our children
Adrienne in 2015 and Daniel in 2017. We treasured our friendship
and the time we spent with Larron with his family. A rare gem of a
man who made us better people just by knowing him.

“ Dear Bev, Michelle, Janelle, Chesty, Jeryl, Dave, and Mike,
My deepest sympathy to you and to all those who miss Larron. When we'd visit Jasper, we'd always stop at the dealership to see Larron and his brothers. No matter what they were doing, they'd always make time for us. I have good memories of being together at Beaver Lake learning to waterski, and of family reunions together. Larron always had a smile and was so kind-hearted.

When my dad died, I felt we were carried by God's grace through those days. I pray for and wish the same for you. You are very much in my thoughts and prayers and in the prayers of our SND community. May God bless and comfort each of you.

“ *My sincere sympathy to Bev and the family. Not only was Larron a cousin, but someone I enjoyed working with at the dealership from age 14 to graduating from college... he always took an interest in my life - whether high school college or starting my career ... or when I moved to Florida we laughed about so much honestly, the world needs more Larrons*

Really liked the guy. As I recall you two did the “oogle eyeing” at that young age. My sympathies for you, and prayers for his soul. The old teacher Fred Brames here.*

“ Bev and family- We are so sorry to hear the news of the loss of Larron. He had a personality bigger than life. I started my business in 1990 and bought my first of many vehicles from Larron that year. He took the time to give me advise on being in business. For the next 30 years when I would see him he would always ask how business was and would again offer support and advise. Prayers to you and your entire family. Bob and Jacque Disinger

“ *Dear Bev, I am so tearfully sorry to hear about Larron. After selling the house, we have been back and forth a lot and I didn't realize how sick he was. I am so thankful for the retirement years u were abke to enjoy with him. I didn't know Larron that well but never heard a negative word, only great stories of what a kind and caring man he was and his much he loved his family. My heart aches for u but maybe there is some comfort in knowing that he and Adrienne r watching together as they reunite. I will be thinking of u in the coming days and pray that u can feel God's Grace and love as u mourn your loss....love you, Jane and Duane Flannagan*

Larson was absolutely THE BEST! He was my "go to" car man and I always knew I was in good hands with Larson. I loved talking to him (and laughing) when we'd play cards. He was a good euchre partner when needed. 😊 I smile thinking of him and Adrienne reuniting in heaven. Oh what happiness. I know your heart aches but just know that you have many friends who will be here for you. Many hugs and prayers for you, Michelle, and Janelle. Jody

“*No words I share today can take away the pain of loss that you have felt yesterday and still feel today with knowing that Larron has passed on. As I sit and stare at his picture I cry and think of the my memories over the years and the times we all spent together with our families and each other.*

I'm extremely grateful that I was able to speak with him on the phone a few months ago and tell him that I loved him very much.

My prayers are with you always. With feeling so much love, the pain of loss is just as equal, but knowing that we all will see each other again someday is the gift of life that GOD has given.

Even though we are miles apart if I can be of service in any way - please let me know.

“ While walking our puppy with my daughter Stephanie yesterday, I told her I had lost a cousin. I mentioned his name and she said "He was one of your favorites, wasn't he?" She had met Larron a time or two, but heard me tell stories over the years about growing up on the Wash Rack at the dealership.

Every Saturday we would wash the sales demonstrators, cleaning them up for the weekend. We were busy with customer cars one week, and the demos were not all going to get washed. I mentioned this to Larron with the hopes of getting some sort of priority list, and looking for a scapegoat for the irate sales staff. His response was a life lesson of sorts. He simply told me to look at the big sign out front, and if any sales staff names matched the one on the big sign, that is where he would recommend starting!

We have all lost a big one (weak attempt at getting in the last dig). He had the "Lueger's Laugh, the big heart, and made everyone feel great. So my answer to my daughter, as I do indeed have many, many cousins is yes, He was indeed one of my favorites!

Love and the best to the family from our family.

“ The class of 1965 has lost another GREAT one! Larron was an integral part of that group, as well as many others, and he will be sorely missed. Knowing Larron for over 65 years and as a fellow classmate, ALL of us in that class would tell you what a great guy, friend, and teammate, Larron was. He represented the best in all of us-friendly, caring, jovial, and just an all-around "good sport", especially when we teased him in many ways, but then, he'd turn it around and send it right back to us as well.

We all have a myriad of memories that we can share from the old Packard he drove to football practice to being called "Larro" because of a misprint in an away basketball game program to his selling me his first vehicle to the loud sound of "Beverly" when he wanted to go home to his ringing the bell when we moved from house to house for our annual Christmas gatherings, and there was so much more.

Larron was a gem; he would do anything for anyone, and his laughter was contagious and infectious...and LOUD but not in an obnoxious way. No one who knew him will ever forget that raucous laugh that would overshadow any other sounds in the room. In short, Larron was loved, not only by his family, but by ALL of his friends who were legion and not just by his classmates from 1965 - there were 1000s of others whose lives he touched while he was with us.

Larron will be missed greatly by many, but he will also be remembered for all of the positive things he represented; he was the epitome of a "kind man"...a gentle giant...a loving friend, loving husband, father, grandfather, brother, and a truly wonderful FRIEND.

I'm sure the good Lord had saved a special place for a special man to be with him as he entered his eternal rest; we all will miss you, Larron, more than you'll ever know!
