“ I never had the pleasure of meeting Laura, but her oldest daughter, Jasmyn, has been my best friend and trusted confidant for many years. I know Laura must have been a tender and kind soul to raise a daughter so caring and trustworthy!

*To laugh often and love much;
to win the respect of intelligent persons
and the affection of children;
to earn the approbation of honest critics
and to endure the betrayal of false friends;
to appreciate beauty;
to find the best in others;
to give of one's self;
to leave the world a little better,
whether by a healthy child,
a garden patch
or a redeemed social condition;
to have played and laughed with enthusiasm
and sung with exultation;
to know that even one life has breathed easier
because you have lived,
this is to have succeeded.*
