“ *Jeanne: I want to express my sympathy to you. I remember your mother always in the kitchen making something when I would walk over to 'pick you up' on the way to scouting, religion, etc. I saw her walking to church alot and enjoyed reading about her move to St. Charles Villas. I gave my piano to my daughter, but next time I am at her house, I'll try to play, "From A Lighthouse Window", in her memory.*
