“ *Lawrence was my neighbor for many years and clearly was a good one. We once went on a journey to find the footer of the Streicher home place out by the Rosebanks school house. (No luck) He was a cousin to my father and my grandparents Amos and Elizabeth Pfister were his godparents. Amos and his brother-in-law John Burke put in his wooden floor walking out to his home every evening sometime back in the 1940's I imagine. He was a worker. Rest in peace Lawrence.*
