“ I remember some years ago, Lee and Marlene were visiting my parents like they did many times before and he was telling jokes as usual. I am not a joke teller, so for me to remember and or tell one is very unusual but I have one and that is the Fireman joke. So Lee, I know you are up there in Heaven giving the Good Lord his belly full of laughter...so as the punchline goes, more hose, more hose, you are nowhere near the fire. You will be missed!
