“ We want to express our sympathy and let you know that our thoughts are with you all. We have such fond memories as Grassland Hills neighbors, especially keeping track of our mischievous children! We so appreciated your energy and commitment to the JAWS team. Even-though we now live in North Carolina, we have always kept track of your family as they have grown. You were a wonderful husband and father and will be missed by so many people. Love to all,
John & Donna Bevier & family

“ I was saddened to hear of Leo's passing. We were childhood friends and spent much time together playing and roaming the neighborhood. Although our paths never crossed later in life, I remember Leo as a good friend. I am sorry I can't make it to Jasper to pay my respects in person. Please accept my deepest sympathy.
