“ Lenny and I had many great memories as part of the “Main Street kids”, riding our bikes, street baseball and many fun times being boys.

“ My dear brother Len left this world in the same place he began it. Mom and Dad were SO PROUD that he was the first baby born in Memorial Hospital. The memories, stories and accounts of his colorful life would take down this site so - my tribute; Len valued friendships and did his best to protect them. Len loved nature and being outdoors but most of all Len had a deep and passionate love for our wonderful Peg. His deepest tragedy was losing Yvette; ours is losing Len.

RIP Lenny.

Thanks for being a great neighbor when we were growing up on Main St. It had been 50+ years since I last saw you, then out-of-the-blue, we met again at Sultan's Run! ❤️

“Lenny was my brother in law on my wedding night, both him and my new husband Lloyd were drunk, Lenny grabbed Lloyd and kissed him on the lips, then Lloyd turned around and kissed him back. Peggy and I both turned to each other and said "and we married these guys" will always love you Lenny, fly high and give Yvette a hug and kiss from me.
