“ *We are so very sorry about your mother's death. I hope you all will stay strong. She was such a sweet person. I remember her from years ago when she worked in the Ireland cafeteria. I have very good memories of her helping to make and serve the good food for the children. That is a nice memory for me.*

“ *Remembering many times visiting with the family and spending the night. Taking baths in the big tub, playing outside all the time, eating grapes right off the vine. Getting the water out of the well. How Aunt Lil would let me have coke because I wouldn't drink the well water. RIP Aunt Lil.*
