“ *To Linda's family,
I extend my sincerest sympathy to all of you. Linda and I went to elementary school together and were friends throughout high school as well. Occasionally I would see her in Jasper while visiting. I was so glad to see her several years ago at the Boone Twp. School reunion. She was a beautiful soul. Becky*

“ Kenny & family...I was saddened to hear of Linda's passing yesterday. Our paths crossed briefly again after many years, but neither of us took advantage of how close we actually lived to one another! I regret that I was not "there" for an old friend. Linda is my first childhood friend to pass on to eternity. Words come hard, but I know after dealing with her illness as she must have, she is at home with the Lord and in no more pain or suffering. Our loss, but her gain. She ran the race, she fought the good fight. She has now heard what we all want to hear..."well done, my good and faithful servant".

I will miss my old friend. Linda Dudine

“ Kenny & Marie,
I was so sorry to hear of Linda's death, but am sure she is suffering no more. Linda and I were cousins and grew up together. Distance has kept us apart, but I thought of her often and the great times we had attending Church youth group and also Linda and I having Cheese Pizza at the Pizza place that was on the corner just north of where the current K-C building is.
May God give you peace. Debbie
