“ *What can I say about Linda without writing a book? I met Linda over 20 years ago and had the honor of working with her until her retirement. She wasn't just the best dispatcher that USPP had, she was family and treated us all like family. I can't share just memory because my mind is flooded with thousands. I love you Linda, you truly were one in a million and completely irreplaceable. Thank you for being my mom and bff! 🥰*

*I met Linda in 1993 when she was hired as a dispatcher for the USPP. We worked for many years on the midnight shift together. I will remember all the laughs we had working those shifts. She was like my mom in those early years on the job. I will always cherish you Linda, may God bless you and your family.*
