“ My thoughts, prayers and love are with the entire family. I will miss all the fun times we had pranking Linus. He seemed to enjoy it as much as we did. He was a great man that was so good to his family. I hope you find strength and courage from the example he set, to live your lives for your families as he has done for you. That is something I know he would want more than anything and I know you won't let him down. I hope you can one day find comfort knowing he is now by Kathy's side. Love, Kris
