“ *This entire family is simply the best of the best, and with Linus as the leader, it's easy to see why they are such a loving, caring and giving family. We always said that Linus had those ever loving 'smiling eyes' that made you feel good and welcomed even before he uttered a word. We have the most wonderful memories of many hours, days, weeks, months and years spent together making the type of memories others can only imagine. Thank you for sharing yourselves with us. As difficult as it will be, he and the others of the 'Clean Twelve' who have gone on before would want us to 'Carry On' with our lives while keeping them close in our hearts. We love you all.*

“ Sue I just found out about Linus passing away. My heart breaks because he is gone and I can't stand the thought of him being gone. I know he is resting in peace now but it is so hard to know he isn't here anymore. He was so precious and such a good guy. I will always remember all the good times we had while we were such close friends all the years we knew each other. Praying for the family. Love all of you. He will be missed so much.
