“ *Clyde and I loved Loretta and she never missed a chance to tell us she loved us too. Caring and loving others was her way. I laughed with her and I cried with her. She was a true friend to me and always made time to listen and give great advice. I will miss talking to her and her homemade cookies. I will miss her but am still going to talk to her when I go on my daily walks. She is finally in God's Kingdom! A life well loved, Loretta, and a faith that was a beacon for the rest of us. I love you and will miss you every time I drive pass your house or look over at the pew you use to sit in at Mass.*

“ Loretta rec'd many awards that she would have been just as happy if they went to another. She was just that kind of person. She was a roll model for all of humanity, if we would only watch. She gave my mother several recipes that m family still uses today. The best I think was the cinnamon rolls using mashed potatoes. She will be missed by Celestine and her family but God has taken an angel home.
