“ My Great Aunt Lou was amazing! She loved us all in her family and treated each and every one of us nieces, nephews, great nieces, great nephews and even great great nieces and great great nephews as her own. She loved sports especially baseball and the St. Louis Cardinals. I will always treasure our visits and how she always took care of me when I was little. Aunt Lou loved taking Grandma Schuler to church on Sundays. We will always treasure those moments and special memories we have. Aunt Lou is missed dearly and we are sending all our love and prayers to our family in this difficult time. Thank Aunt Lou for being a very big presence in my life and my kids lives. We love you and will miss you terribly. Love your great niece and nephew Vicky and Dustin Runyon, your great great niece and nephew Samantha and Franklin Runyon and your niece, Karen Seng
