“ *David, Levi, and Family,*

We are so sorry to hear that Lovella passed away. She touched many lives thinking of others through her kind and generous heart.

As my Godmother, she always had a smile and hug. A few times we would stop by the store when I was a kid. Edgar and Lovella would have me take some candy. Lovella always made sure to send me home with more candy than I needed. Throughout my 58 years she always remembered my birthday with a card or phone call.

She was such a special lady with an unforgettable laugh and smile. We are so blessed to have had Lovella in our life.

“ Lovell was my first employer. The work ethics she instilled in me have been complimented through my entire life. "Boy somebody taught you the right way to do things!" At times as we talked, a slip of the tongue and called her "Mom". She said that's ok she didn't mind and kinda took it as a compliment! One can never have to many Moms. She call about a month ago, with condolences for my Dad passing and we had a wonderful chat catching up. I truly treasure our friendship! Heaven sure gained a Angel ❤️

“ Levi and David,
Please accept my sympathies for Lovella's passing.
Your parents were my first employers—delivering the Mark-Rite weekly flyers for a buck a week.
Your parents were wonderful people who never tired of making Haysville a good place to live.

“ Levi and Dave.....you have our deepest sympathy. I knew your mom (and dad) since I was very young, going to the store for their famous ham salad! They were the sweetest folks. We also chatted with your mom when she was at St. Charles a few year back. The pictures you posted here show the love in your hearts for your family. Rest in Peace, Lovella.

My sympathies to your family. Thank you so much for sharing these photos. My father (Hilbert Fuhrman) was Lovella's first cousin. I've kept in touch with some of the Wening family over the years, and would see Lovella now and then. She was a lovely and gracious person. Now she can rest with the angels.
