“ *To Aunt Lucille, you gave strength to all of us by the example you set in living your long life. We marvel at the way you apparently never considered age as a detriment to enjoying each day. We never feared injecting a bit of humor in our conversations since we knew it would always bring a laugh and perhaps a humorous response as well. We will always remember your loveliness and quick wit. Love, Ken and Joan Baker*

“ So sorry for the loss of your mother, grandmother. She sure lived a good and long life with God's blessings. I remember Lucille telling me that when she first met me I looked so dark, but after a while she didn't even noticed it! Got a love her! Irene Krodel

“ Lucille was a very loving woman. She had so many friends including me! When my sister would come home I would go and visit with them and Lucille and play cards. She could beat me most of the time, she was that good! She enjoyed having a little sip of champagne when we played cards too! She will be missed by many, many friends and her family!
