“ *My fondest memory of "Steiny", my Godmother, was of the summers we visited their farm for a week at a time. She would ring a chicken's neck, cut it off and hand it. We would have it for supper. It was great fun.
I had been planning to visit, but it seems something always came up. I am sad I didn't make it. My love and prayers to all of the family. You were all such a part of our family.
Love and prayers to all of you. Debbie Michel-Funk*
