“ *Sorry to hear of Lula's passing. She was a beautiful lady and know she is in a better place. She was always happy and smiling and glad to see you. My fondest memory of Lula was when I was in my 20's and working on the Krannert floor at IU hospital in Indy. Lulu was at the hospital for several weeks due to a stomach condition. I went to visit her at the end of each day that I worked. She was always glad to see someone from home and appreciated our time spent with each other. She never forgot that and would mention that to me every time I saw her. What a grateful lovely person. She lived a long beautiful life.*
