My sympathy to Joe and her family.
I meet Lyra at Scenic Hills while we were doing therapy. She always had a smile.

“ Prayers for peace and comfort for Lyra's family. She was my best friend in high school (Holland High School's Class of '68 - the best class ever) and I have so many happy memories of Lyra and her family. Rest in peace, dear friend. Love from

It's been quite a long time since I've seen Lyra, but I will never forget her. I'm posting this not only for myself but for my late sister, Marilyn, and also for Lois. The three of them were bowling buddies, and I can only imagine how much fun the three of them had... I don't know the family she created, but I do know the one that she came from in St. Henry. I'm certain they were a constant source of love and support when she needed it most. My heartfelt condolences to her family.
