“ I knew Allen in PT school, then ran into him again at a PT conference in Southern Indiana, and I could not believe he was the same guy. He was affable lumberjack in appearance and demeanor in PT school, and he became a suave sophisticated guy when I saw him again so many years later. So sorry we will not see him at our 45th PT school reunion we have coming up. There was only one Allen Brooner. "Get Large" Allen!

“ I met Allen when we worked together at Crossroads Rehabilitation Center in Indianapolis years ago. He was from Dale, and I was from Jasper, so we were immediate friends! I moved back to Jasper 27 years ago and was so surprised to see him again in the community, as he had moved back to Dubois County as well. I was delighted to see my old friend again when I had my first knee replacement in 2018, and Allen was my PT! Kathi, I don't know you or your daughters but let me tell you, Allen got me walking again! I will forever be grateful to him, for his work with me. He often talked of you and the girls and it was always clear what a kind and devoted family man he was. I was so saddened to learn of his recent all too soon passing. Prayers to you and your girls and hold onto the wonderful family memories I'm sure you have.
